产品详情

国贸三期坐落在城市中央商务区CBD写字楼的核心部位，建在重要的交通枢纽旁，形成与城市良好的衔接和对话。中央商务区是北京富有经济活力和具有现代化、国际化气息的地带。这里的经济功能定位是：建设成为集办公、会展、酒店、居住及文化娱乐为一体的国际商务中心区；成为现代化超高层建筑集中，国际公司云集，知识、信息、资本密集，具有规模效应与集散效应优势的区域；成为金融、保险、电信、信息咨询等行业的企业地区总部与营运管理中心。综合体形式将国贸中心的用地与区域实现了的嫁接，极大限度的发挥了用地的价值潜力，也极大限度的促进了商务中心区域的发展。

The third phase of Guomao is located at the core of the CBD office building in the central business district of the city, adjacent to important transportation hubs, forming a good connection and dialogue with the city. The Central Business District is the most economically dynamic and modern and internationalized area in Beijing. The economic function positioning here is to build an international business center area that integrates office, exhibition, hotel, residence, and cultural entertainment; Become an area where modern super high-rise buildings are concentrated, internationally renowned companies gather, and knowledge, information, and capital are intensive, with advantages in scale and distribution effects; Become the regional headquarters and operational management center of companies in industries such as finance, insurance, telecommunications, and information consulting. The form of a complex has grafted the land of the International Trade Center with the region, maximizing the value potential of the land and promoting the development of the business center area to the greatest extent.
