对于想要在越南市场扩张业务的化妆品企业来说，办理自由销售证书是必不可少的一项手续。在这些手续之后，还需要进行越南使馆的加签，才能够正式在越南市场销售这类产品。First of all, cosmetics enterprises need to apply for a free sales certificate. This process usually needs to provide some basic information of the product, including ingredient list, test report, product label and so on. This information needs to be accurate and clear, so as to facilitate the Vietnamese authorities to review the products. Free sales certificate is a widely applicable document regardless of product form, price, composition and so on. Products that meet legal standards can enjoy free sales certificate.
