Jiangsu Jianke Research Engineering Quality Inspection Co., Ltd.

Shanghai Housing Building Safety Appraisal Free On-site Inspection

We, Jiangsu Jianke Research Engineering Quality Inspection Co., Ltd., specialize in providing professional and comprehensive inspections for various types of buildings, including factories, office buildings, hotels, schools, hospitals, and more. Our services focus on assessing the structural safety of these buildings, including foundation engineering, on-site inspection of the main structure, steel structure engineering, and identification of building curtain walls.

When it comes to ensuring the safety and quality of your property, it is essential to conduct thorough inspections from multiple perspectives. Here at Jiangsu Jianke, we take pride in our expertise and experience in assessing the structural safety of buildings, providing reliable and accurate reports for our clients.

Our inspection services offer several essential parameters to evaluate the safety of your building:

Industry Type	Structural Safety Inspection and Appraisal
On-site Inspection Duration	1-5 working days
Report Publication Duration	1-10 working days
Quotation	Depending on the project scope

Our team of highly skilled and certified engineers will conduct a detailed assessment of your property. During the on-site inspection, we will thoroughly examine the structure's integrity, analyze its foundation, assess the main structural components, and conduct a comprehensive evaluation of the building's curtain walls.

With our state-of-the-art equipment and advanced technology, we can identify potential risks and offer practical recommendations for improving the safety of your building. Our reports are professionally drafted, providing you with detailed information and assessments for your reference and decision-making.

Building safety is crucial for both occupants and property owners. Therefore, it is imperative to choose a reliable and experienced inspection company. Jiangsu Jianke Research Engineering Quality Inspection Co., Ltd. has been serving clients with dedication and professionalism in the field for years.

If you are concerned about the safety of your property, contact us today to arrange a free on-site inspection. Our team will guide you through the process and provide you with the necessary expertise to make informed decisions regarding your building's safety. Ensure the well-being of your property and the peace of mind of its occupants with our comprehensive inspection services.
