金宝大厦西接王府进商圈，地理位置得天独厚，是成就现代商务的场所。本区域集中了东方广场等甲级写字楼，东方君悦等多家五星级酒店，地域商务氛围经多年积淀，与CBD、建国门商业圈形成“三足鼎立”之势。金宝街所兴建的五星级酒店群和写字楼将进一步提升三大商圈的繁华尺度，均衡地区高标准酒店的分布，商务人士和旅游观光客迅速汇聚于此，使本区域成为“商务流通”-----“商务办公”-----“旅游经济”一体化的商业核心区。

Jinbao Building is located to the west of the Wangfu commercial district, with a unique geographical location and is a place for achieving modern business. This area is home to Grade A office buildings such as Dongfang Plaza, as well as multiple five-star hotels such as Dongfang Junyue. After years of accumulation, the regional business atmosphere has formed a "tripartite confrontation" with CBD and Jianguomen commercial circles. The five-star hotel group and office buildings built on Jinbao Street will further enhance the bustling scale of the three major commercial districts, balance the distribution of high standard hotels in the region, and quickly gather business people and tourists here, making this area a commercial core area that integrates "business circulation", "business office", and "tourism economy".
