

For bio-organic fertilizer with high efficiency

产品名称	For bio-organic fertilizer with high efficiency
公司名称	湖南省吉祥天生物科技有限公司
价格	1050.00/吨
规格参数	主要成分:腐植酸 含量 :45 (%) 水分 :12 (%)
公司地址	湖南省益阳市桃江县桃花江镇芙蓉路锦绣佳园1 - 032号
联系电话	0737-8600666 13511108731

产品详情

主要成分	腐植酸	含量	45 (%)
水分	12 (%)	适用范围	Various crops
外观	Black powder	生产厂家	Auspicious days of Biological Co., Ltd

features1, withbiologicaland organicdoublefeature, 100% naturalpure organic;2, thestrainis the onlyalternative tobiological agentsof potash;3,containsa large number oforganicfertilizer,rich innitrogen, phosphorus,potassium,trace elements andphysiologically active substances,can significantly improvequality;4, fertilizershigh degree ofmaturity, noodor, nontoxic,pollution-freegreen productsisideal forthe productionof fertilizer;5,can improve thesoil,eliminatingcompaction, improvedcrop quality, reducenitrateand heavy metals;6,can be used asthe mainfertilizer, greatly reducingthe amount ofchemical fertilizer, improvefertilizer efficiency, andimprove soil fertility,can be widelyused infruit trees, vegetables and othercash cropsand food crops;7, diseaseresistant, anti-croppingis good,can greatly reducethe incidence ofpests and diseases, savingthe entirecrop growthcycle,the number ofdrugsand drugcosts;8, theyieldincreaseeffect is remarkable.
