产品详情

Riyadh, Saudi Arabia, October 23, 2023 – FedEx Express, a subsidiary of FedEx Corp. (NYSE: FDX) and the world’s largest express transportation company, joined industry experts at the ‘ Supply Chain and Logistics Conference ’ in Saudi Arabia as the official Diamond Sponsor.

To support the digital transformation of Saudi Arabia’s logistics and transportation system, FedEx joined the panel discussion on ‘ Future Challenges in Logistics and Enabling Inclusive Solutions ’. The discussion addressed the benefits of adopting [digital solutions and innovations](#) to bolster the Kingdom’s supply chain. FedEx also highlighted sustainable logistics solutions, such as [FedEx Sustainability Insights](#), which allows customers to measure their shipments’ carbon footprint to help them improve transparency in their sustainability reporting.

The panel discussion reaffirmed that driving innovation in logistics will support Saudi Arabia’s vision of becoming a leading global logistics and supply chain hub. Through [strategic collaborations](#), [digital solutions](#), and [sustainability practices](#), FedEx is committed to enhancing the connection between the Kingdom and the global market and contribute to the sustainable growth of international trade.

FedEx also showcased its suite of digital solutions including services such as [FedEx Electronic Trade Documents](#), which helps customers submit customs documentation efficiently and reliably for timely international deliveries, and [FedEx Delivery Manager](#), which plays an essential role in delivering a seamless last-mile delivery by giving recipients the flexibility to personalize their e-commerce package delivery as per their convenience.
