“ We had only a cock , ” said Mrs Smith one day . “ You ’ d better take it to the town . Sell it there and buy some cakes and sweets for our children . ”

“ It ’ s a good idea ! ” the man said and caught the cock the next morning and put it into a box . It was difficult to walk on the road covered with thick snow . Two hours later he was very tired and wanted to have a rest . He put the box to the ground and sat down .

“ The air in the box must be close , ” the man said to himself . “ I ’ d better let the cock walk outside for a while , or it ’ ll die . ”

So he put the cock to the ground . When he started again , he couldn ’ t catch it any longer .

“ How foolish you are ! ” Mr Smith called out angrily . “ You can herald the break of day at night but you can ’ t find the way to the town in the daytime ! ”

The Ox and the Dog

An ox and a dog serve for the same farmer. One day the dog arrogantly says: “ How grand I am! In the daytime, I watch out for the cattle in the meadows; at night, I guard the house. But you... ” “ Me? How about me ? ” the ox says

“ You can only plough or draw a cart, ” the dog slightly says. “ Yes. It ’ s true, ” the ox says. “ But if I don ’ t plough, what do you guard? ”
