Suzhou DHL - Suzhou DHL International Express - DHL Express Suzhou Branch

DHL Supply Chain is in the field of contract logistics in the Americas, under the Deutsche Post DHL Group, and has appointed Rick MacDonald as the President of the North American Retail Division. As a member of the North American Board of Directors, MacDonald will oversee the strategic development of this key department and strengthen the company's positioning as an employer and supplier in the United States and Canada. DHL Supply Chain collaborates with many brands in the retail vertical, such as grocery, retail, returns, store delivery, beverages, and omnichannel solutions. It provides fulfillment and transportation solutions that minimize complexity, increase flexibility, improve storefront service levels, optimize capacity and inventory, support e-commerce, and enhance the overall consumer experience.

DHL Executive Officer Scott Sureddin said, "Thanks to the culture of operations and the consistent service and productivity improvements we provide to our customers, DHL Supply Chain has become a supplier of third-party logistics services for the retail industry. North American Supply Chain. Rick has played a core role in establishing an efficient and technology driven operational platform for DHL, serving today's North American retail supply chain. I believe he is fully capable of leading the industry to new levels of performance and customer satisfaction
