What are the competitive advantages of Nanjing FedEx International Express, Nanjing FedEx International Express, and Nanjing FedEx International Express? Using FedEx, it is safe and efficient, with low shipping costs and fast tracking and feedback information.

Safe with**

Over 26000 employees and contractors under FedEx Group are highly concerned about safety issues, adhere to ethical and professional standards, and meet the needs of customers and society to a certain extent, making it repeatedly rated as a respected and trustworthy employer.

Good delivery time

Timely

FedEx International Express Service can complete delivery in over 220 regions and regions within 1-3 working days.

Timely stability

The powerful Blink Airlines and a well-established ground delivery team are the stable delivery time of FedEx in the United States.

FedEx has over 160000 employees in **, with an average daily delivery volume of over 39 million and 11 million pounds of cargo. It provides services at 375 airports, 650 planes, and a fleet of approximately 47500 motor vehicles. It also has 1200 service stations (640 in the United States and 560 in other regions and regions) and 12 air express centers.

Low shipping cost

FedEx has become a courier for customers in the region, especially in Southeast Asia, due to its low shipping costs and fast delivery speed. It is difficult for DHL, UPS, and others to compete with FedEx in terms of price.
