

韩国KOBA蓄电池MF115E41L 12V110AH可充电密封电源

产品名称	韩国KOBA蓄电池MF115E41L 12V110AH可充电密封电源
公司名称	狮克电源（山东）有限公司
价格	150.00/只
规格参数	品牌:韩国KOBA 蓄电池 型号:MF115E41L 产地:韩国
公司地址	北京市昌平区沙顺路88号
联系电话	13240167779 13240167779

产品详情

韩国KOBA 蓄电池MF115E41L 12V110AH可充电密封电源

Battery technology:

1. Handle design

Using engineering plastics for easy battery replacement

2. Battery status indicator

Sealed electric eye design can display the battery level, making it convenient for users to check daily

3. Designed sealed top cover

Heat sealing design increases the strength of the shell, effectively preventing acid overflow, good seismic performance, and explosion-proof plates can prevent external sparks from entering

4. A sturdy casing for integrated computer design

Protect the battery from vibration and impact, and the bottom pressure plate design is suitable for different vehicle models?

5. Advanced central pole ear and busbar

Shock absorption and seismic performance, improving battery startup performance?

6. New type of forged high tin calcium lattice

Lead tin calcium forged grid, effectively preventing grid and overcharging, reducing water loss rate, self discharge, and heat dissipation capacity?

7. Improved electrode coating

Effectively preventing the coating from falling off and shock-absorbing, extending the battery life?

8. Low resistance bag type isolation board

Improve battery starting performance and effectively prevent internal short circuits between positive and negative plates
