瑞新航纺织电子设备集研发、生产、销售、服务为一体。生产工艺先进，检测手段完备。目前已形成了各种规格系列化。本公司产品采用进口集成芯片、smt生产工艺和数字化技术，并且率先采用了protel/cad电脑辅助设计/制造系统，以及按照国际iso9001：2000标准建立了全面质量管理保证体系，使产品性能和质量达到国际同类产品的先进技术水平，并在国内产品中位于领先的地位，由于其内在的功能和外观尺寸与进口产品一致，所以可以直接互换国外产品。

本公司主要生产销售picanol(毕佳乐)、somet(舒美特)、smit(斯密特)、wamatex等公司剑杆织机rxh瑞新航纬纱检测器、瑞新航纬纱传感器、电子多臂电磁铁、编码器、接近开关、412多臂行程开关、剑杆织布机电控箱、电路板、张力传感器等。广泛适用于工业自动化控制、包装机械、纺织机械等领域。产品质量稳定，深受用户的好评。

我公司本着“客户第一，诚信为本”的经营宗旨，竭诚为广大用户提供卓越的产品和优质的服务，欢

迎新老客户前来真诚合作和技术洽谈。

ruixinhang textile electronic equipment incorporates researching and developing, producing, selling and serving into a unity with advanced production technology and perfect detection means. it has already formed various kinds of specification variations at present. the products of the company adopt imported integrated chip, smt production technology and digitized technology, and the property and quality of product reach the advanced level of international product of the same kind, and lie in the leading position among domestic products and can exchange foreign products directly.

our company mainly produces and sells rxh woof detector, ruixinhang woof sensor, electronic doobby electromagnet, encoder, proximity switch, 412 doobby limit switch, rapier loom electric-control-box, circuit board, tension sensor etc., which is extensively applied to such fields as industrial automation control and textile machinery. for its steady quality, the product finds a good sale in many counteies of southeast asia and wins the favorable comment from users.
