

# 超声波传感器，挖土机传感器，农业机械传感器，测距探头

产品名称	超声波传感器，挖土机传感器，农业机械传感器，测距探头
公司名称	东莞市腾派电子科技有限公司
价格	28.00/PCS
规格参数	加工定制:是 品牌:腾派 型号:tu001
公司地址	东莞市万江区万江社区万福路泰和大厦二楼（集群注册）
联系电话	86-076928639593 13826946274

## 产品详情

tu-001 ultrasonic sensor module

### 1.product description

tu-001 ultrasonic sensor consists of a single transmit & receive sensor , working with the application circuit , it can detect moving or static obstacle, and the distance value can be set, if the detected distance less than this setting value, it will output a digital signal to turn on the led, otherwise it will output a digital signal to turn off the led.this digital signal can control a relay, buzzer directly, or connected to a alarm system to active a alarm or action also.

### 2:applications

alarm system, proximity switch etc.

### 3: parameters

items	parameter	tolerence	note
voltage	1.low voltage version  dc 5-7v  2. normal voltage version dc 8-16v		
frenquence	40khz	$\pm 1\text{khz}$	
working current	20ma		
detecting range	0.2---1.0m	$\pm 2\text{cm}$	
signal output	0 or 1		digital/switch

"超声波传感器，挖土机传感器，农业机械传感器，测距探头"的加工定制为是，品牌是腾派，型号为TU001，种类是位移，制作工艺为DIANZI，输出信号是开关型
