

EMERSON 电机SE11200025

产品名称	EMERSON 电机SE11200025
公司名称	上海晖翰自动化科技有限公司
价格	10.00/个
规格参数	品牌:EMERSON 型号:SE11200025
公司地址	上海市浦东周康路26号万达广场E座1505室
联系电话	021-33891089 18201884748

产品详情

se11200025 commander se (size 1), 0.33hp, 230vac, 1? input - 3? output, 1.5a cont. output current, nema 1
se11200037 commander se (size 1), 0.50hp, 230vac, 1? input - 3? output, 2.3a cont. output current, nema 1
se11200055 commander se (size 1), 0.75hp, 230vac, 1? input - 3? output, 3.1a cont. output current, nema 1
se11200075 commander se (size 1), 1hp, 230vac, 1? input - 3? output, 4.3a cont. output current, nema 1
se232001-n1 commander se expresspak, 1hp, 230v - 3?, 3.8 amps, nema 1 se232001-n12 commander se
expresspak, 1hp, 230v - 3?, 3.8 amps, nema 12 se232002-n1 commander se expresspak, 2hp, 230v - 3?, 5.6 amps,
nema 1 se232002-n12 commander se expresspak, 2hp, 230v - 3?, 5.6 amps, nema 12 se232003-n1 commander se
expresspak, 3hp, 230v - 3?, 9.5 amps, nema 1 se232003-n12 commander se expresspak, 3hp, 230v - 3?, 9.5 amps,
nema 12 se23200400 commander se (size 2), 5hp, 230v - 3?, 17a cont. output current, nema 1 se232005-n1
commander se expresspak, 5hp, 230v - 3?, 12.0 amps, nema 1 se232005-n12 commander se expresspak, 5hp, 230v -
3?, 12.0 amps, nema 12 se23400075 commander se (size 2), 1hp, 460v - 3?, 2.1a cont. output current, nema 1
se23400150 commander se (size 2), 2hp, 460v - 3?, 4.2a cont. output current, nema 1 se234001-n1 commander se
expresspak, 1hp, 480v - 3?, 2.1 amps, nema 1 se234001-n12 commander se expresspak, 1hp, 480v - 3?, 2.1 amps,
nema 12 se23400220 commander se (size 2), 3hp, 460v - 3?, 5.8a cont. output current, nema 1
se234002-n1 commander se expresspak, 2hp, 480v - 3?, 2.8 amps, nema 1 se234002-n12 commander se
expresspak, 2hp, 480v - 3?, 2.8 amps, nema 12 se234003-n1 commander se expresspak, 3hp, 480v - 3?, 3.8 amps,
nema 1 se234003-n12 commander se expresspak, 3hp, 480v - 3?, 3.8 amps, nema 12 se23400400 commander se
(size 2), 5hp, 460v - 3?, 9.5a cont. output current, nema 1 se234005-n1 commander se expresspak, 5hp, 480v - 3?,
5.6 amps, nema 1 se234005-n12 commander se expresspak, 5hp, 480v - 3?, 5.6 amps, nema 12
se2d200075 commander se (size 2), 1hp, 230vac, 1? or 3? input - 3? output, 4.3a cont. output current, nema 1
se2d200150 commander se (size 2), 2hp, 230vac, 1? or 3? input - 3? output, 7.5a cont. output current, nema 1
se2d200220 commander se (size 2), 3hp, 230vac, 1? or 3? input - 3? output, 10.6a cont. output current, nema 1
se2we extends standard warranty to 5 years on commander se - size 2 se33200550 commander se (size 3), 7.5hp,
230v - 3?, 25a cont. output current, nema 1 se33200750 commander se (size 3), 10hp, 230v - 3?, 28.5a cont. output
current, nema 1 se332007-n1 commander se expresspak, 7.5hp, 230v - 3?, 16.0 amps, nema 1
se332007-n12 commander se expresspak, 7.5hp, 230v - 3?, 16.0 amps, nema 12 se332010-n1 commander se
expresspak, 10hp, 230v - 3?, 25 amps, nema 1 se332010-n12 commander se expresspak, 10hp, 230v - 3?, 25 amps,
nema 12 se33400550 commander se (size 3), 7.5hp, 460v - 3?, 13a cont. output current, nema 1 se33400750

commander se (size 3), 10hp, 460v - 3?, 16.5a cont. output current, nema 1 se334007-n1 commander se expresspak, 7.5hp, 480v - 3?, 9.5 amps, nema 1 se334007-n12 commander se expresspak, 7.5hp, 480v - 3?, 9.5 amps, nema 12 se334010-n1 commander se expresspak, 10hp, 480v - 3?, 12 amps, nema 1 se334010-n12 commander se expresspak, 10hp, 480v - 3?, 12 amps, nema 12 se3we extends standard warranty to 5 years on commander se - size 3 se43401100 commander se (size 4), 15hp, 460v - 3?, 24.5a cont. output current, nema 1 se43401500 commander se (size 4), 20hp, 460v - 3?, 30.5a cont. output current, nema 1 se434015-n1 commander se expresspak, 15hp, 480v - 3?, 16 amps, nema 1 se434015-n12 commander se expresspak, 15hp, 480v - 3?, 16 amps, nema 12 se43401850 commander se (size 4), 25hp, 460v - 3?, 37a cont. output current, nema 1 se434020-n1 commander se expresspak, 20hp, 480v - 3?, 25 amps, nema 1 se434020-n12 commander se expresspak, 20hp, 480v - 3?, 25 amps, nema 12 se4we extends standard warranty to 5 years on commander se - size 4 se51 bi-polar speed reference input card (commander se) se51-ug se51 card user guide se53402200 commander se (size 5), 30hp, 460v - 3?, 46a cont. output current, nema 1 se534025-n1 commander se expresspak, 25hp, 480v - 3?, 37 amps, nema 1 se534025-n12 commander se expresspak, 25hp, 480v - 3?, 37 amps, nema 12 se53403000 commander se (size 5), 40hp, 460v - 3?, 60a cont. output current, nema 1 se534030-n1 commander se expresspak, 30hp, 480v - 3?, 46 amps, nema 1 se534030-n12 commander se expresspak, 30hp, 480v - 3?, 46 amps, nema 12 se53403700 commander se (size 5), 50hp, 460v - 3?, 70a cont. output current, nema 1 se534040-n1 commander se expresspak, 40hp, 480v - 3?, 60 amps, nema 1 se534040-n12 commander se expresspak, 40hp, 480v - 3?, 60 amps, nema 12 se534050-n1 commander se expresspak, 50hp, 480v - 3?, 70 amps, nema 1 se534050-n12 commander se expresspak, 50hp, 480v - 3?, 70 amps, nema 12 se55 quickkey / cloning module (commander se) se73 profibus-dp interface card (commander se) se73-ug se73 (profibus-dp) user guide se74 interbus-s interface card (commander se) se77co canopen interface card (commander se) se77co-ug se77co (canopen) user guide se77dn devicenet interface card (commander se) se77dn-ug se77dn (devicenet) user guide se-ug commander se users guide sm-canopen canopen solutions module sm-canopen canopen solutions module sm-canopen canopen solutions module smco-ug sm-canopen user guide sm-dac sm fan and pump duty-assist preprogrammed option module sm-devicenet devicenet solutions module sm-devicenet devicenet solutions module sm-devicenet devicenet solutions module smdn-ug sm-devicenet user guide sm-encoder plus encoder plus solutions module, provides an additional incremental encoder feedback port. smep-ug sm-encoder plus user guide sm-etc 15 pin d shell to 15 pin screw terminal break out board for servo and vector motor encoder feedback cable sm-ethernet ethernet tcp/ip solutions module sm-ethernet ethernet tcp/ip solutions module sm-ethernet ethernet tcp/ip solutions module sm-ezmotion motion made easy solutions module, utilizing powertools programming software smez-ug sm-ezmotion user guide sm-fsc sm flying shear control preprogrammed option module sm-heatsink dbr1 braking resistor, 75 ohm, 50 watt, heatsink mount for unidrive sp size 1 sm-heatsink dbr2 braking resistor, 37.5 ohm, 100 watt, heatsink mount for unidrive sp size 2 sm-i/o lite i/o lite solutions module - (1) +/- 10v bi-polar or 4-20ma input, (3) digital inputs, (1) 0-10v or 4-20ma output, (1) relay output, (1) incremental encoder speed reference input sm-i/o lite i/o lite solutions module - (1) +/- 10v bi-polar or 4-20ma input, (3) digital inputs, (1) 0-10v or 4-20ma output, (1) relay output, (1) incremental encoder speed reference input sm-i/o plus i/o solutions module, high performance, (2) +/- 10v analog input, (1) +/- 10v output, (3) digital inputs, (3) programmable digital i/o, (2) relay output, sm-i/o timer i/o lite solutions module w/real time clock for scheduling events, (1) +/- 10v bi-polar or 4-20ma input, (3) digital inputs, (1) 0-10v or 4-20ma output, (1) relay output, (1) incl enc spd ref input sm-i/o timer i/o lite solutions module w/real time clock for scheduling events, (1) +/- 10v bi-polar or 4-20ma input, (3) digital inputs, (1) 0-10v or 4-20ma output, (1) relay output, (1) incl enc spd ref input sm-i/o timer i/o lite solutions module w/real time clock for scheduling events, (1) +/- 10v bi-polar or 4-20ma input, (3) digital inputs, (1) 0-10v or 4-20ma output, (1) relay output, (1) incl enc spd ref input smib-ug sm-interbus-s user guide sm-interbus interbus-s solutions module sm-interbus interbus-s solutions module sm-interbus interbus-s solutions module sm-keypad led keypad, 7 digit led data display, configured for unidrive sp sm-keypad plus lcd keypad, back-lit, dual language, on-screen help, remote mountable smpb-ug sm-profibus user guide sm-pelv pelv solutions module - isolated i/o to namur ne37 specification for chemical industry applications sm-pelv pelv solutions module - isolated i/o to namur ne37 specification for chemical industry applications sm-pelv pelv solutions module - isolated i/o to namur ne37 specification for chemical industry applications sm-profibus profibus-dp solutions module - fieldbus option only sm-profibus profibus-dp solutions module - fieldbus option

only sm-profibus profibus-dp solutions module - fieldbus option only sm-resolver resolver solutions module, providing a resolver feedback port, w/simulated encoder output sm-sercos sercos solutions module sm-slm slm solutions module smue-ug sm-uni encoder user guide sm-uni encoder universal encoder plus solutions module, provides an additional incremental or absolute encoder feedback port and simulated encoder output. sm-winder sm speed and torque based centerwind preprogrammed option module snccd-001.5 mso-spacerun: yes> sync in/out cable, 7 pin mini-din connector on one end and an 8 pin mini -din connector on the other, 1.5 ft length (fm3/4 to fm3/4) sp1201-lcd unidrive sp with lcd keypad, 230vac, max cont output current (hp): normal duty - 5.2a (1.5hp), heavy duty - 4.3a (1hp) sp1201-led unidrive sp with led keypad, 230vac, max cont output current (hp): normal duty - 5.2a (1.5hp), heavy duty - 4.3a (1hp) sp1201-nkp unidrive sp without keypad, 230vac, max cont output current (hp): normal duty - 5.2a (1.5hp), heavy duty - 4.3a (1hp) sp1202-lcd unidrive sp with lcd keypad, 230vac, max cont output current (hp): normal duty - 6.8a (2hp), heavy duty - 5.8a (1.5hp) sp1202-led unidrive sp with led keypad, 230vac, max cont output current (hp): normal duty - 6.8a (2hp), heavy duty - 5.8a (1.5hp) sp1202-nkp unidrive sp without keypad, 230vac, max cont output current (hp): normal duty - 6.8a (2hp), heavy duty - 5.8a (1.5hp) sp1203-lcd unidrive sp with lcd keypad, 230vac, max cont output current (hp): normal duty - 9.6a (3hp), heavy duty - 7.5a (2hp) sp1203-led unidrive sp with led keypad, 230vac, max cont output current (hp): normal duty - 9.6a (3hp), heavy duty - 7.5a (2hp) sp1203-nkp unidrive sp without keypad, 230vac, max cont output current (hp): normal duty - 9.6a (3hp), heavy duty - 7.5a (2hp) sp1204-lcd unidrive sp with lcd keypad, 230vac, max cont output current (hp): normal duty - 11a (3hp), heavy duty - 10.6a (3hp) sp1204-led unidrive sp with led keypad, 230vac, max cont output current (hp): normal duty - 11a (3hp), heavy duty - 10.6a (3hp) sp1204-nkp unidrive sp without keypad, 230vac, max cont output current (hp): normal duty - 11a (3hp), heavy duty - 10.6a (3hp) sp1401-lcd unidrive sp with lcd keypad, 460vac, max cont output current (hp): normal duty - 2.8a (1.5hp), heavy duty - 2.1a (1hp) sp1401-led unidrive sp with led keypad, 460vac, max cont output current (hp): normal duty - 2.8a (1.5hp), heavy duty - 2.1a (1hp) sp1401-nkp unidrive sp without keypad, 460vac, max cont output current (hp): normal duty - 2.8a (1.5hp), heavy duty - 2.1a (1hp) sp1402-lcd unidrive sp with lcd keypad, 460vac, max cont output current (hp): normal duty - 3.8a (2hp), heavy duty - 3.0a (2hp) sp1402-led unidrive sp with led keypad, 460vac, max cont output current (hp): normal duty - 3.8a (2hp), heavy duty - 3.0a (2hp) sp1402-nkp unidrive sp without keypad, 460vac, max cont output current (hp): normal duty - 3.8a (2hp), heavy duty - 3.0a (2hp) sp1403-lcd unidrive sp with lcd keypad, 460vac, max cont output current (hp): normal duty - 5.0a (3hp), heavy duty - 4.2a (3hp) sp1403-led unidrive sp with led keypad, 460vac, max cont output current (hp): normal duty - 5.0a (3hp), heavy duty - 4.2a (3hp) sp1403-nkp unidrive sp without keypad, 460vac, max cont output current (hp): normal duty - 5.0a (3hp), heavy duty - 4.2a (3hp) sp1404-lcd unidrive sp with lcd keypad, 460vac, max cont output current (hp): normal duty - 6.9a (5hp), heavy duty - 5.8a (3hp) sp1404-led unidrive sp with led keypad, 460vac, max cont output current (hp): normal duty - 6.9a (5hp), heavy duty - 5.8a (3hp) sp1404-nkp unidrive sp without keypad, 460vac, max cont output current (hp): normal duty - 6.9a (5hp), heavy duty - 5.8a (3hp) sp1405-lcd unidrive sp with lcd keypad, 460vac, max cont output current (hp): normal duty - 8.8a (5hp), heavy duty - 7.6a (5hp) sp1405-led unidrive sp with led keypad, 460vac, max cont output current (hp): normal duty - 8.8a (5hp), heavy duty - 7.6a (5hp) sp1405-nkp unidrive sp without keypad, 460vac, max cont output current (hp): normal duty - 8.8a (5hp), heavy duty - 7.6a (5hp) sp1406-lcd unidrive sp with lcd keypad, 460vac, max cont output current (hp): normal duty - 11a (7.5hp), heavy duty - 9.5a (5hp) sp1406-led unidrive sp with led keypad, 460vac, max cont output current (hp): normal duty - 11a (7.5hp), heavy duty - 9.5a (5hp) sp1406-nkp unidrive sp without keypad, 460vac, max cont output current (hp): normal duty - 11a (7.5hp), heavy duty - 9.5a (5hp) sp1we extends standard warranty to 5 years on unidrive sp - size 1 sp2201-lcd unidrive sp with lcd keypad, 230vac, max cont output current (hp): normal duty - 15.5a (5hp), heavy duty - 12.6a (3hp) sp2201-led unidrive sp with led keypad, 230vac, max cont output current (hp): normal duty - 15.5a (5hp), heavy duty - 12.6a (3hp) sp2201-nkp unidrive sp without keypad, 230vac, max cont output current (hp): normal duty - 15.5a (5hp), heavy duty - 12.6a (3hp) sp2202-lcd unidrive sp with lcd keypad, 230vac, max cont output current (hp): normal duty - 22a (7.5hp), heavy duty - 17a (5hp) sp2202-led unidrive sp with led keypad, 230vac, max cont output current (hp): normal duty - 22a (7.5hp), heavy duty - 17a (5hp) sp2202-nkp unidrive sp without keypad, 230vac, max cont output current (hp): normal duty - 22a (7.5hp), heavy duty - 17a (5hp) sp2203-lcd unidrive sp with lcd keypad, 230vac, max cont output current (hp): normal duty - 28a (10hp), heavy duty - 25a (7.5hp) sp2203-led unidrive sp with led keypad, 230vac, max cont output current (hp):

22a (20hp), heavy duty - 18a (15hp) sp3507-lcd unidrive sp with lcd keypad, 575vac, max cont output current (hp): normal duty - 27a (25hp), heavy duty - 22a (20hp) sp3507-led unidrive sp with led keypad, 575vac, max cont output current (hp): normal duty - 27a (25hp), heavy duty - 22a (20hp) sp3507-nkp unidrive sp without keypad, 575vac, max cont output current (hp): normal duty - 27a (25hp), heavy duty - 22a (20hp) sp3we extends standard warranty to 5 years on unidrive sp - size 3 sp4201-lcd unidrive sp with lcd keypad, 230vac, max cont output current (hp): normal duty - 68a (25hp), heavy duty - 56a (20hp) sp4201-led unidrive sp with led keypad, 230vac, max cont output current (hp): normal duty - 68a (25hp), heavy duty - 56a (20hp) sp4201-nkp unidrive sp without keypad, 230vac, max cont output current (hp): normal duty - 68a (25hp), heavy duty - 56a (20hp) sp4202-lcd unidrive sp with lcd keypad, 230vac, max cont output current (hp): normal duty - 80a (30hp), heavy duty - 68a (25hp) sp4202-led unidrive sp with led keypad, 230vac, max cont output current (hp): normal duty - 80a (30hp), heavy duty - 68a (25hp) sp4202-nkp unidrive sp without keypad, 230vac, max cont output current (hp): normal duty - 80a (30hp), heavy duty - 68a (25hp) sp4203-lcd unidrive sp with lcd keypad, 230vac, max cont output current (hp): normal duty - 104a (40hp), heavy duty - 80a (30hp) sp4203-led unidrive sp with led keypad, 230vac, max cont output current (hp): normal duty - 104a (40hp), heavy duty - 80a (30hp)
