

# 出售饲料级纳米活性氧化锌

产品名称	出售饲料级纳米活性氧化锌
公司名称	宝鸡天鑫工业添加剂有限公司
价格	.00/个
规格参数	型号:TYSON-FZO2 品牌:天鑫 产商/产地:陕西宝鸡
公司地址	陕西省宝鸡市凤翔县陈村镇水沟村
联系电话	86-09173256102 15809174166

## 产品详情

型号	TYSON-FZO2	品牌	天鑫
产商/产地	陕西宝鸡	产品等级	活性氧化锌
型号/规格	TYSON-FZO2	含量	95 ( % )
执行质量标准	GB	CAS	1314-13-21

product name: active zinc oxide (nanometer grade) for feed purpose.

brief introduction: active zinc oxide has the function of sterilization and constringency. it has high surface activity and energy level due to fine particles and large specific surface area. high content of zinc is favorable to reduce animal diarrhea and ab lactation, as well as to improve propagation.

physical and chemical properties:

molecular formula: zno molecular weight: 81.38 appearance: yellowish powder. bulk density: about 0.5g/ml odor: odorless. solubility: insoluble in water, alcohol; soluble in dilute acids. specific gravity: 5. 67 ph: no information found. melting point: 1975c (3587f) index

items	index
zn as zno	95 % , normally about 96%
average particle diameter under electron microscope	40nm
average particle diameter tested by xrd	60nm
specific surface area	40 m2/g
pb	8ppm
cd	4ppm
as	1ppm

note : the other content are mainly  $\text{CaSO}_4$ ,  $\text{MgSO}_4$ .
