石家庄联邦快递网点地址 石家庄FedEx快递上门收件

Since its establishment, Shijiazhuang Company has signed long-term cooperation agreements with multiple airlines, acting as an agent for Shijiazhuang DHL Express, Shijiazhuang TNT Express, Shijiazhuang FedEx Express, Shijiazhuang UPS Express, EMS and other express services. It has also opened multiple international air freight lines in Hong Kong, Taiwan, Japan, South Korea, the United States, and various countries in the Middle East. We provide professional, safe, and fast services to our customers. Our company adheres to the development direction of always addressing the urgent needs of customers, adhering to honest management and being an honest person, to serve every customer. Provide discounted and reasonable transportation prices to safeguard customer interests.

We are willing to engage in various forms of cooperation with various industries both domestically and internationally. As long as you are willing, we can safely and timely transport your goods to any corner of the world in a timely manner. What we can help you save is not only shipping costs, but also our more professional operation team, which can reduce many unnecessary expenses for you and make your goods more smoothly shipped to various parts of the world

At the same time, we cooperate with airlines from various countries around the world to collect goods from foreign companies for free.
