hualian local special food co.,ltd

hulian local special food co.,ltd was established in 1996 year, located at baoqing heilongjiang province—the production base of pumpkinseeds, combining factory and trading as one . factory cover the area of 6000 square meters, equipped with modern advance machinery. we are professional for processing agricultural and sideline products, our main products including white pumpkinseeds, shine pumpkinseeds and kernels, sunflower seeds and kernels, and all kinds of beans ect..

with the advantage of location, we purchase all the agricultural products from local farmers directly, every link is controlled well and strictly including storage, transit, processing, inspection, package, finished products and exporting. high standards product quality, and thoughtful service, has won numerous domestic and foreign customers trust and praise. against our independent export right, our products were exported to countries of southeast asia, europe, africa ect.

hulian welcome customers from domestic and abroad to join us and create a bright future together!
