

# ROCKET火箭蓄电池L-875韩国 8V170AH采用阻燃耐腐

产品名称	ROCKET火箭蓄电池L-875韩国 8V170AH采用阻燃耐腐
公司名称	狮克电源（山东）有限公司
价格	580.00/只
规格参数	品牌:ROCKET火箭 型号:L-875 产地:韩国
公司地址	北京市昌平区沙顺路88号
联系电话	13240167779 13240167779

## 产品详情

ROCKET火箭蓄电池L-875韩国 8V170AH采用阻燃耐腐

### Technical Characteristics Table

Non overflow sealed building absorption glass mat system (AGM system) ABS (acrylonitrile butadiene styrene) container and cover flame retardant (UL94, V-0 level) gas composite maintenance - Fr EE operation low-pressure exhaust system thermal load grid low self discharge/long shelf life wide working temperature range high recovery capacity design life 8-10 years/20

The product has absorbed European dwarf standard structure, streamlined structure, and beautiful and elegant appearance

Unique plate elongation and self absorption technology can extend the service life of batteries

Adopting a unique design, the amount of electrolyte used during battery reuse will hardly decrease, and there is no need to add water during the service life
