

# 兴达牌D341W大口径通风蝶阀（高品质）

产品名称	兴达牌D341W大口径通风蝶阀（高品质）
公司名称	福建省兴达阀门制造有限公司
价格	350.00/套
规格参数	品牌:兴达 型号:D341W通风蝶阀 材质:铸钢
公司地址	中国 福建 南安市 仑苍水暖高新工业区
联系电话	0086 595 86182997

## 产品详情

品牌	兴达	型号	D341W通风蝶阀
材质	铸钢	连接形式	法兰
结构形式	偏置板式	适用介质	空气
压力环境	低压	工作温度	低温
标准	国标	流动方向	双向
驱动方式	手动	零部件及配件	执行器
用途	风量调节	类型(通道位置)	直通式
口径	2000	公称通径	2000
安装尺寸	2000		

产品型号：d341w产品口径：dn50-dn4000产品压力：0.6-1.6mpa产品材质：铸钢,不锈钢,铬镍钼钛钢,铬钼钛钢通风蝶阀详细介绍 产品用途通风蝶阀用于冶金、化工、电站、建材、玻璃等行业中的通风、环保工程的含尘热风或冷风气体管道中，作为气体介质调节流量或切断装置。产品特点1、采用中线式碟板与短结构钢板焊接的新型结构形式设计制造的，结构紧凑、重量轻、便于安装、流阻小、流通量大，避免高温膨胀的影响，操作轻便2、内无连杆、螺栓等、工作可靠、使用寿命长。可以多工位安装，不受介质流向影响

产品广泛用于石油、造纸、水电、食品、医药、轻纺、冶炼、污水处理、矿厂、化工、高层建设、给排水等工程，行销国内外各大、中、小城市，深受广大用户的信赖和好评。热忱欢迎新老客商前来洽谈。联系电话：0595-86183997.移动电话13860769497

fujian xingda valve manufacturing co., ltd is located in the west coast of the strait economic zone of chinese famous faucet hometown - fujian quanzhou verdant town, hebron with taiwan sea, it is domestic production base of three plumbing valves, resource advantage is remarkable. company specializing in the production of american standard, germany standard, british standard, japanese standard, gb series standard valve, leading products: gate valves, butterfly valves, ball valves, check valves, globe valves, flexible ware, hydraulic control valves, filters, rubber joint etc various specifications (dn40 - dn4000) valve, can also according to customer"s requirements. independent research and

development of the water supply and drainage valve series of similar products in the country in a leading level, water double wedge gas storage butterfly valve, cut-off valve, cut-off valve double hemisphere water fills the domestic blank. as an iron and steel enterprise, dealing not many brilliant speech, we only follow is: huanwei customers" needs, strives for the survival by the quality, seek development by innovation, to management for efficiency. with the first-class quality, the best price and high quality service, repay masses of users, realization and customer genuine "win-win". warmly welcome domestic and international manufacturers to visit our company, technical communication, negotiation and cooperation.
