

# Compact Mini CWDM Module

产品名称	Compact Mini CWDM Module
公司名称	珠海飞宇光电科技有限公司
价格	面议
规格参数	品牌:飞宇 型号:8CH
公司地址	珠海市香洲人民东路81号二层东9号
联系电话	0755-85250091-2816 13926501293

## 产品详情

specification:

parameter			unit	
channel number			ch	4
central wavelength			nm	127
passband	channels		min.	nm
	upgrade port		min.	
isolation	mux	adjacent channel	min.	db
		non-adjacent channel	min.	
		upgrade port		
	demux	adjacent channel	min.	
		non-adjacent channel	min.	
		upgrade port		

insertion loss	channels	max.	db	1.0
	upgrade port	max.		
ripple in passband		max.	db	
directivity		min	db	
polarization dependent loss		max	db	
polarization mode dispersion		max	ps	
return loss		min	db	
fiber type				corn
power handling		max	mw	
operating temperature				
storage temperature				
package dimension			mm	

1. all specifications include the effect of operating temperature and all states of polarization

order information:
