## 产品详情

dt-2249闪光测速表

产品简介：

flash rate (rpm)&phase (delay time)adjustment.

professional an high accuracy.

modern intelligent design, setting the 12-12,000rpm/flash per min

modern intelligent design, setting the rpm by push button, high precision.

功率:ac 110v/220v/240v,50/60hz

尺寸:210 × 120 × 215mm
