

通信导航 C站 sailor H2095B inmarsat-C

产品名称	通信导航 C站 sailor H2095B inmarsat-C
公司名称	上海海倍船舶电子有限公司
价格	面议
规格参数	品牌:sailor 型号:H2095B 类型:卫星通信C站
公司地址	上海市浦东新区川沙路500号204-53室
联系电话	18606117277

产品详情

inmarsat c programme h2095b	
<p>maritime non gmdss inmarsat c transceiver h1622d/gps fishery: · full compliance with the latest inmarsat c specifications for maritime operation · x.25 data, e-mail mobile-to-land fax and telex · automatic data and position reporting/polling · ideal for fishery control and communication and floating scada applications · programmable sleep modes for power conservation · pre-programming of dnids for global coverage · extreme power conserving, lightweight and compact design (car radio size)</p>	<p>the rugged and extremely compact design of the h1622d/gps makes it very attractive for use in fishery and small boat installation, and it enables fast, reliable and automatic transfer of vital information such as position reporting, data monitoring, messaging, catch reporting, fleet coordination etc. the h1622d/gps supports all inmarsat communication modes, including telex, x.25, e-mail, and mobile-to-land fax services, as well as a new advanced "connection" reporting format with multiple dnids, independent reporting timers and global ocean area pre-programming.</p>

本产品的品牌是sailor，型号是H2095B，类型是卫星通信C站，新旧程度是8成新，设备所在地是上海，设备生产产地是丹麦，产品数量是10
