## 产品详情

WY22-50AF,WY22-100AF series single phase transformer (terminal type) rating input 200-220V output 220V capacity 50VA or 100VA

input voltage of single phase is ac 220v and output is ac 220. it is a product of 1:1 and manufactured with isolation to use stable output voltage as line noise is filtered. also it is produced by terminal block with led type and all models have been acquired of to meet customer and demand.
