产品性能与应用：

1、纺织行业应用：

大量用作整理剂、织物清洗剂、纤维柔软剂，渗透与润湿效果强，可以使产品的光泽好，手感柔软。

2、印染行业应用：

作为匀染剂、渗透剂、润湿剂，在染色工业中加，起到缓染、匀染的作用，还能增强染料染色牢固度，令印染着色鲜艳美观。

3、洗涤行业应用：

具有阴离子表面活性剂的一般特性，对动植物油、矿物油、石蜡等具有良好的清洗能力，特别适用于配做除蜡水的活性中间体，并具有很好的防锈能力。金属电镀前处理清洗部分除油除蜡，并具有良好的润滑、渗透和冷却性能，而且对黑色金属有很好的防锈性能。

4、润滑油行业：

可作水基润滑添加剂，广泛用于润滑、防锈领域，是水基合成、半合成切削液的主要

She said, "Yes, I will!" The Prince then gave his royal crown and wings to Thumbelina. To her bird companion she said, "Dear swallow, please deliver this news to my mother." Thereafter, the Prince and Thumbelina led a very happy

life in the flower country.

A long time ago, there lived a terrible king. The terrible king's wish was that all the people would shake in fear at the sound of his name. The terrible king made the lives of the people in the neighbor land horrible. "Here! Take everything!"

The Terrible King

The terrible king viciously took away all the belongings of the neighbor land. He even scared the poor women and children. The king was not even sorry to the children and women. The terrible king bothered the people of the neighbor land worse and worse everyday. The palace became more and more magnificent.

"Put up a statue in the church!" Now the terrible king was ordering the church to place a statue of himself there.

However, the ministers could not do that. "Your majesty may be great, but God is even greater."

The terrible king was becoming angry. It was because he thought that he was the greatest in the whole world. Then the king was angry. "What! He is greater? Then I will defeat God."
