产品详情

东莞市励恒电子有限公司成立于2000年，原名：东莞石碣伟创达电子制品厂。是电感线圈类电子零部件专业制造商，生产各种电感线圈、振荡线圈、磁珠、色码电感、建烽线圈、天线线圈、弹簧线圈、音频滤波器等十多个品种，适用于各类调车音响器材、音响、家用工用电器等各种电子产品。

东莞市励恒电子有限公司位于交通便利的国家信息产业重镇——石碣。公司自创业以来，一直采用国外先进的管理经验。我们配套设施良好，员工队伍稳定，日产量达200,000pcs。公司以推行iso9001:2000及7s活动为管理手段，良好的经营理念、雄厚的技术实力、一流的品质和完善的售后服务，使企业迅速发展壮大并深受广大用户的信赖，产品远销日本、韩国、香港等地。

dongguan liheng electronica co.,ltd. was established in 2000 with the name dongguan shijie weichuangda electronic products manufactrer of barious types of coils, and the main products are ift coil, oscillator coil, bead, color code inductor, resistor, audio coil, spring coil, etc. they are suitable for electronic products such as frequency modulator, digital frequency modulator, satellite, automobile appliance, automobile sound system, industrial control equipment, toy,etc.

dongguan liheng electronics co., ltd. is located in shijie township in dongguan ,where the transportation is very convenient. since its factory with advanced foreign management philosophy and has accumulated abundant experiences. the matched facilities and the philosophy of 7s and iso9001:2000 and controls the logistics with mis system. depending on advanced management philosophy and perfect after-sales service, the company develops rapidly and has won the trust of numerous customers. the products meet international security standard and are sold far to japan, korea, hong kong, etc.

本产品的应用范围是振荡，种类是可调电感，品牌是国产，型号是励恒，封装形式是普通电感，绕线形式是多层蜂房绕式，导磁体性质是磁芯可调，磁芯形状是螺纹磁心，工作频率是中频，安装方式是卧式，骨架材料是电木，品质因数Q是20，电感量是40，额定电流是4110（mA），分布电容是4114（F）
