When you're looking for quality excavators, you know you can rely on Hitachi. Just like our large reliable machines, our excavators are known throughout the world to be well-designed, rugged,

Hitachi is a worldwide leader in the manufacturing of medium excavators, and we continually strive to satisfy customer needs. A combination of extensive size range, multiple applications, and localization enable Hitachi to offer more than 100 models, from 6 to 40 tons. Machines like the popular Zaxis200 use Hitachi's advanced hydraulic technology to allow for easy operation. The speed, power, and durability of these machines give you increased productivity and reduced maintenance costs. What's more, our excavators have long life because they are well-balanced and the parts are assembled with engineering excellence.
