

# 气动离合器 气动控制离合器

产品名称	气动离合器 气动控制离合器
公司名称	东莞市莱森精密机电有限公司
价格	900.00/个
规格参数	品牌:LEESUN 型号:DBG105 材料:金属
公司地址	东莞市南城街道商业中心二期百充中心B座303号
联系电话	13650871237

## 产品详情

气动离合器 气动控制离合器

dbg - 空压碟式制动器	
---------------	--

产品介绍：

原产台湾，耐水，耐尘，耐高温，频繁使用耐久性高，性能稳定。利用空气压力动作，无电气火花，具有防暴性，安全可靠。制动力可任意调整，制动矩范围广。散热效果良好，摩擦片耐摩且两片式，更换容易。适用于工作机械、建设机械、轧钢杨械、伸线杨、绞线机、卷取杨、门型 起重机及天车、造纸杨械、船舶重型车、切边、放料、定位、张力控制等场合。此为立式，有两种规格气磅头----4#、5#。

基本参数：

model	dbg104	dbg105
最大压力	7 kg/cm2	7 kg/cm2
压缩比	0.74	0.74
圆盘厚度	10mm	10mm
圆盘直径mm	200以上	200以上
重量(约)	5kg	6kg

空压与扭矩的关系：

外形尺寸：

size	x	y	z
dbg 104	18	225	141
dbg 105	36	238	177

利迅科技工业有限公司始创于台湾，拥有专业的设计开发团队，主要研制生产工业机械用之高精度磁粉式离合器制动器、电磁式离合器制动器、空气压碟式/通轴式离合器制动器以及包装印刷卷取设备行业专用的气胀轴套夹(气胀臄)、快速安全夹头、铝合金导辊、全自动张力控制器、卷径式张力控制器等。齐全的产品于卷取领域提供各种张力控制解决方案。一直以来，我们积极进取、开拓创新、诚信经营，服务行业十几载，由于对产品质量严格苛求及公司全体同仁的不懈努力，致使“leesun”品牌成为行业的领先者，并已行销全国且出口日本、东南亚等地区。经过不断的创新发展设立东莞市莱森精密机电有限公司作为大陆运营部华南基地并建立分厂，相继设立华东营销处、华北营销处，为用户提供更完善的产品及服务，使“leesun”产品更广泛的应用机械、印刷机械、电线电缆机械、制纸制版机械、橡塑机械、食器机械、纺织机械、玻璃机械、木工机械、电机机械等设备行业。我们的经营理念：科技领先，精心制造，持续发展我们的奋斗目标：内强素质，外树形象，科技建成一流的现代化科技制造企业。

利迅科技，无限动力！

leesun science&technology industrial co.,ltd established in taiwan, it's a professional design and development team, the main development and production of industrial machinery of high precision magnetic powder clutch brake, electromagnetic clutch air pressure disc / pass-axis clutch brakes, as well as packaging and printing take-up equipment industry-specific inflatable shaft pressure sets of folders (inflatable swollen), fast and secure chuck, aluminum alloy guide roll, automatic tension controller, the diameter tension controller. comprehensive range of products in the take-up device industries to provide a variety of tension solutions.all along, we are actively enterprising, innovation, integrity management, service industry more than a dozen set, because the quality of products and companies seeking strict ke tireless efforts of all colleagues, resulting in "leesun" brand to become the industry leader and has been marketing the country and the exported to europe, japan, southeast asia and other regions.through constant innovation and development of the establishment of dongguan bryson precision electromechanical co., ltd. as the main base of operations and the establishment of the department of south china factory, have been established for east marketing department, north china marketing department, to provide users with better products and services, so that "leesun" products widely used in packaging machinery, printing machinery, wire and cable machinery, paper version of the system machinery, machinery, tableware machinery, textile machinery, glass machinery, woodworking machinery, electronic machinery and other equipment, the battery industry.our business philosophy: the leading science and technology, well production, sustainable developmentour goal: a strong-the quality of the image outside, the unison into first-class science and technology of modern technology manufacturing companies.

leesun science&technology, unlimited power!

本产品的品牌是LEESUN，型号是DBG105，材料是金属，规格是可定制，适用范围是适用于工作机械、建设机械、轧钢机械、伸线机械、绞线机、卷取机械、门型起重机及天车、造纸机械、船舶重型车、，重量是约5-6kg，转速是可定制，类型是气动离合器，尺寸是36\*238\*177
