zhangzhou narcissus

narcissus, one of the ten famous traditional chinese flowers, is both the municipal flower of zhangzhou and the provincial flower of fujian. It is abundant in zhangzhou, a historic cultural city well known at home and abroad. The carving of narcissus is a wonderful art among the flower culture of zhangzhou. With their superb skill, artists makebulbs into thousands of shapes, all of them are exquisite and remarkably true to life. They are acclaimed as acme of perfection. Zhangzhou narcissus and its carving arts are always loved by people enjoying it at home and abroad. Zhangzhou association for cultural exchanges with foreign countries held exhibitions of narcissus on many occasions, all crowned with success.
