

Sell Aquatic Air Pump增氧泵

产品名称	Sell Aquatic Air Pump增氧泵
公司名称	威海恒力户外用品有限公司
价格	.00/个
规格参数	产品类别:AquaticAirPump 型号:AP500L
公司地址	山东省威海市环翠区羊亭镇东祥路4-2号
联系电话	0631-5783265 15063119392

产品详情

产品类别	Aquatic Air Pump	规格	AP500L Aquatic Air Pump
型号	AP500L	品牌	dynamic
主要用途	Aquatic Series		

oxygen supply for fish whilst field fishing

live bait during field fishing

pply for fry/shrimp and fish during transportation for highersurvival rate

pply for fish at home or aquarium, especially when blackout

imple but smooth outline, easy-operation design

high-strength, pure pp plastic apply to shell, injection molding

compact size, portable and easy to use

and high-displacement

eel screws, buckles, and spring resistance to salt and fog test

ecification:

switch	1 turn-on and 1 turn-off
voltage	1.5v
power supply	1.5v 1(d)# battery 2pcs
battery life	50h(panasonic battery)
displacement	1.5 liters / min
water depth	50cm
outer size	146*79*43mm
weight	138g(with bubble stone and pipe inclusive)
standard	50cm air pipe 1pc; bubble stone 1pc

dynamic outdoor equipment co., ltd was founded in 2008. and our company is located at weihai, a beautiful coastal city.

we are export-oriented enterprise of fishing supplies and the relative outdoor equipment, achieving a full chain of professional r&d, design, production, sales and service. and our products cover portable air pump, camping lighting articles, fishing accessories, etc. for now, the sales markets mainly reach europe, north america, south-east asia.

advanced technology and stable supply capacity have enhanced our competitiveness. also the advanced production equipment, experienced management team, standardized and humanized management system bring us forward to the top range of the industry though we are still a young team. furthermore, we attach most importance to strict quality control in production. that gains more credit home and abroad for us. all these benefit our business which is keep increasing.

from the establishment to current operation, we get a comprehensive understanding of the concept and insist of people remaining centralized, reliability going eternal, technology keeping innovation and nature being under respect. and that will follow along with our development.
