

GOUGING ROD韩国高丽低碳钢焊条

| | |
|------|---|
| 产品名称 | GOUGING ROD韩国高丽低碳钢焊条 |
| 公司名称 | 上海亚干焊接材料有限公司 |
| 价格 | 110.00/个 |
| 规格参数 | 品牌:高丽 型号:GOUGINGROD 牌号:GOUGINGROD |
| 公司地址 | 上海市奉贤区海湾镇五四公路4399号31幢217室 |
| 联系电话 | 86 021 31267586 |

产品详情

| | | | | | |
|----------|-------|-------|-------|----------------------|--|
| ki-101lf | e6019 | d4301 | e4301 | illmenitetype | welding of high pressure boilers, machinery for generating electric power plant, ship hulls, rolling stocks, buildings, bridges and other structural fabrications. |
| kt-303 | - | d4303 | e4303 | lime titaniatype | welding of cars, other vehicles, agricultural machinery, light structural steels and pedestrian bridges. |
| kcl-10 | e6010 | d4311 | e4311 | high cellulositytype | shipbuildings, pressure pipe tanks with plain or galvanized surfaces and steel casting repairs. |
| kcl-11 | e6011 | d4311 | e4311 | high cellulositytype | welding of steel sheets, |

| | | | | | |
|-----------|-------|-------|-------|--------------------|---|
| | | | | | pipes in building and shipbuilding. |
| k-6012 | e6012 | d4313 | e4313 | high titanium type | welding of shells of railway cars, light vehicles and other steel structures and general light structural steels. |
| kr-3000 | e6013 | d4313 | e4313 | high titanium type | welding of all kinds of light constructional work in all positions, including pipe-welding. |
| kr-3000v | e6013 | d4313 | e4313 | high titanium type | welding of shells of railway vehicles, cars, light vehicles and other steel sheet structures and general light structural steels. |
| kh-500lf | e7016 | d4316 | e4316 | low hydrogen type | welding of strength members of ship hulls and general heavy structural steels, free cutting steels, medium carbon steel, high sulphur steel. underlaying of hardfacing. |
| kh-500vlf | e7048 | d4316 | e4316 | low hydrogen type | vertical-down welding of general structures and strength members of ship construction, machinery, pressure vessels, buildings and bridges. |
| kh-500w | e7016 | d4316 | e4316 | low hydrogen type | one-side welding of pipes and general butt joints |

n of ships, pressure ves
sels.

本产品的品牌是高丽，型号是GOUGINGROD，牌号是GOUGINGROD，产地是韩国，类型是详见说明，材质是合金，焊芯直径是2.5-5.0（mm），直径是2.5-5.0（mm），长度是250-500（mm），焊接电流是120（A），电流幅度是120（A），熔点是详见说明，工作温度是120（ ），适用范围是机械设备焊接，硬度HRC是详见说明
