

薄膜混炼造粒机，双阶子母PE造粒机，塑料薄膜回收造粒机

产品名称	薄膜混炼造粒机，双阶子母PE造粒机，塑料薄膜回收造粒机
公司名称	上海盟申机械设备有限公司
价格	面议
规格参数	品牌:盟申 型号:MS-150 产品别名:塑料薄膜造粒机
公司地址	上海市嘉定区江桥镇宝园四路18号
联系电话	021-59133677 18939955665

产品详情

上海盟申机械设备有限公司是一家从事塑料机械设计和生产制造的企业。主营：塑料机械;再生造粒机;塑料吹膜机;拉伸缠绕膜机;制袋机;泡沫、塑料粉碎机;胶带机;流涎膜机;公司自创办以来，本着“以客为本”的经营理念，不断的茁壮成长，并成功的迈向专业化。我们一直在不断的努力创新开拓进取，以领先的先进技术，严谨的科学管理，使产品无论从质量、功能、价钱及销前售后服务皆能够傲视同仁。在技术研究开发方面不遗余力，不断的开发出新的产品。同时，我们经常与客户保持联系，务求产品与服务严格的贴近市场以便及时提供客户所需。今天，盟申公司拥有雄厚的资金实力和一批专业技术人才并且拥有规模较大的生产基地，并开发拥有多项专利技术，可根据客户的特殊要求度身定造，公司提供吸塑机成型整厂设备及技术咨询。产品畅销全国各地以及出口世界各地。 shanghai union machine equipment co.,ltd, it is a professional enterprise specialized in plastic machinery designing and manufacturing. since the very beginning of our establishment, we have always taken customer-oriented as our management philosophy. and continuous sound growth makes us striding to well-professional. in the process of growth we never stop continuous efforts in technology innovation and pioneering. advanced technology and scientific management make our products the best in terms of quality, function, price and after-sales service before sales among this field. mean while we has spared no effort in technology research and development, so as to a never-stop new products series. at the same time, we often keep closely relationship with our customers to ensure that products and services closer to the market requirements for the timely provision of customers. now, union corporation has been well-developing with abundant funds, professional and technical personnel, well-equipped and large production base. and we have developed a number of patented technologies; meanwhile we can supply the very products according to the customers requirements as well as offer special facilities and training. our products have a very mature market both home and aboard.
