产品详情

东莞市励恒电子有限公司成立于2000年，是电感线圈类电子零部件专业制造公司，主要产品有中周、电感、变压器、震荡线圈、磁珠、色码电感、建峰线圈、天线线圈、弹簧线圈、音频滤波器等十多个品种，适用于各类调谐器、卫星接收器、无线遥控器材、汽车音响器材、音响、家用工用电器等各种电子产品。

东莞市励恒电子公司位于交通便利的国家信息产业重镇—石碣。公司自创业以来，一直采用国外先进的管理办法管理工厂，积累了丰富的管理经验。我们配套设施良好，员工队伍稳定，日产量达200,000pcs。公司以推行iso9001:2000及7s活动为管理手段，采用mis系统进行物流控制，凭借优良的经营理念、雄厚的技术实力、一流的品质和完善的售后服务，使企业迅速发展壮大并深受广大用户的信赖,产品均依据世界各国安全及环保标准生产，远销日本、韩国、香港等地.dongguan liheng electronica co.,ltd. was established in 2000. it is a professional electronic parts manufacrter of barious types of coils, and the main products are ift coil, oscillator coil, bead, color code inductor, resistor, audio filter, peaking coil, transformer, antenna coil, spring coil, etc. they are suitable for electronic products such as frequency modulator, digital frequency modulator, satellite receiver, wireless remote control, automobile appliance, automobile sound system, industrial control equipment, toy,etc.

dongguan liheng electronics co., ltd. is located in shijie township in dongguan ,where the transportation is very convenient. since its establishment, the company manages its factory with advanced foreign management philosophy and has accumulated abundant experiences. the matched facilities yield 300,000pcs daily.the company follows the philosophy of 7s and iso9001:2000 and controls the logistics with mis system. depending on advanced management philosophy, powerful technical strength, excellent products and perfect after-sales service, the company develops rapidly and has won the trust of numerous customers. the products are manufactured in accordance with international security standard and are sold far to japan, korea, hong kong, etc.

本产品的应用范围是谐振，种类是可调电感，品牌是励恒，型号是L09，封装形式是中周，绕线形式是多

层平绕式，导磁体性质是铁氧体磁芯，磁芯形状是柱形，工作频率是低频，安装方式是立式非密封，骨架材料是胶木，品质因数Q是80Min，电感量是4.7，允许误差是0.05，感抗XL是0.05（ Ω ），额定电流是20（mA），分布电容是180（pF），标称电压是110（V）
