

然气表 shancheng

产品名称	然气表 shancheng
公司名称	重庆市山城燃气设备有限公司
价格	.00/个
规格参数	品牌:shancheng 型号:G65 类型:家用煤气表
公司地址	重庆市江北区石马河
联系电话	86 023 67655880/67651658 13594297588

产品详情

品牌	shancheng	型号	G65
类型	家用煤气表	公称流量	65 (m3/h)
最大流量	100 (m3/h)	最小流量	0.65 (m3/h)
接头中心距	480 (mm)		

overview

industrial diaphragm gas meter g6/ g10 /g16/g25/g40/g65/g100 is volume type instrument measuring the flow rate of coal gas, natural gas and lpg. it consists of three parts: case, measuring unit and counter. it meets oiml r31:1995.

features

wide range of flow-rate, sustained accuracy and long-term stability.

one gas meter and one measure unit.

compact size and light weight.

die-casting case of measuring unit adopts galvanization technology and ensures its anticorrosive ability.

the revolutions of the driving mechanism on measuring unit are transferred via magnet to index. it ensures the index operation smoothly with no leakage.

stretch forming steel plate case and powder-coated exterior of case provides excellent appearance and anticorrosive ability.

screw tightening of two-piece body halves ensures maintenance and disassembly simple and convenient.
