

煤气表 shancheng

产品名称	煤气表 shancheng
公司名称	重庆市山城燃气设备有限公司
价格	.00/个
规格参数	品牌:shancheng 型号:G1.6 类型:家用煤气表
公司地址	重庆市江北区石马河
联系电话	86 023 67655880/67651658 13594297588

产品详情

品牌	shancheng	型号	G1.6
类型	家用煤气表	公称流量	1.6 (m3/h)
最大流量	2.5 (m3/h)	最小流量	0.016 (m3/h)
接头中心距	130 (mm)		

overview

domestic diaphragm gas meter g1.6 /g2.5 /g4 is designed to meet the client ' s highest demand with regarding to accuracy measurement and safety. it is widely used to measure the volume of natural gas, lpg and coal gas. it meets oiml r31:1995.

features

compact size, light weight

sustained accuracy and smooth operation

high metrological performance

low pressure loss

functions

moving parts in self-lubricating materials.

body case: sheet steel, two-pipe connection type, digital index.

synthetic diaphragms.

grid and distributing valve in thermosetting resin.

secured and sealed against illegal access.

equipped with a device to prevent the reverse flow of gas through the meter.

magnet transmission keeps excellent sealing.

the turning valve motion design ensures long term stability, and minimal wear.

high quality internal plastic and stainless metal components, internal and external protection with powder painting guarantees the meter ' s long-term service.

standard

gb/t 6968-1997 diaphragm gas meters

jig 577-2005 diaphragm gas meters

iso9001:2000 quality certificate system
