

ROEHM卡盘 ROEHM

产品名称	ROEHM卡盘 ROEHM
公司名称	得米特（天津）科技有限公司
价格	2130.00/个
规格参数	品牌:ROEHM 型号:Roehm卡盘、Roehm液压卡盘、Roehm气动卡盘、Roehm钻夹头、Roehm夹具、Roehm卡盘类型:二爪卡盘
公司地址	天津市南开区红日南路42号（环兴科技园）634室（科技园）
联系电话	13920907593 18502281318

产品详情

roehm卡盘

得米特（天津）科技有限公司低价代购德国roehm卡盘、roehm液压卡盘、roehm气动卡盘、roehm钻夹头、roehm夹具、roehm等roehm机床附件

德国roehm gmbh（罗姆）公司成立于1909年，总部位于德国巴登-符腾堡州，是世界最大的工装夹具制造商之一。roehm作为一家具有100年历史的世界顶尖的机床夹具、专业生产厂家，roehm产品主要包括各类液压(气动)卡盘，自定心中心架，膨胀芯轴，油(气)缸，顶尖，钻夹头、刀柄等。

roehm can look back on a diverse and successful company history. for 90 years,roehm gmbh has continuously developed itself into one of the best-performing chucking tool manufacturers all over the world. today,roehm is setting new standards in the production of all types of chucking tools from the smallest drill chuck to the most modern and high-tech special design.this achievement principally redounds to the credit of the company ' s founder, heinrich roehm sen (1882 - 1957) and his three sons helmut (1908 - 1980), heinrich and g ü nter. heinrich roehm ' s desire for independence prompted him to set up his own company in the town of zella-mehlis in thuringia in 1909. from modest beginnings with 12 employees, he started manufacturing two-jaw drill chucks

roehm精密液压卡盘：sl z—标准型液压自定心中心架sl zb—油缸侧置型液压自定心中心架sl zc

—紧凑型高精度自定心液压中心架sl zk—长臂窄轮型高精度自定心液压中心架sl zp

—长臂型高精度自定心液压中心架sl zv

—磨床专用高精度自定心液压中心架roehm自定心中心架roehm高精密钻头：roehm is a competent and

innovative partner for global drill chuck requirements. almost all drill manufacturers are supplied with roehm drill chucks.roehm高精密手动卡盘 : roehm turning chucks are used wherever economic and precise clamping is requiredroehm顶尖尾座 : the fixed and revolving lathe centres by roehm are popular with users.

得米特（天津）科技有限公司自成立以来立足于行业发展水平，以客户需求为导向，以产品质量为基础，不断的降低客户采购成本。欢迎来电咨询！
