

热销全斯福旋压扩口机

产品名称	热销全斯福旋压扩口机
公司名称	苏州全斯福液压设备有限公司
价格	1.00/1
规格参数	
公司地址	苏州工业园区和顺路29号3A
联系电话	0512-81661266 15262582061

产品详情

transfluid37°和90°扩口法兰连接-钢管加工中心

pfe170????????37°?90°??
??pfe170????????????????

pfe is a simple flaring machine for fange connections ,by using the process, it achieves an excellent sealing surface and a high-strength tube connection. the equipment is very robust and easy to use.it savess time and effort compared to conventional welding of flange connections. pfe170wcm workcenter is ideal for workshop use. the pfe170 is ideal for onsite installation.

?????technical parameters

???? tube-od 6-170mm

?????? processing 30-60s

???????? max tube od and thickness 170x5mm

???? production quantity max 300times one day

??	dimension	eco:850x680 × 675 mm
??	weight	360kg
??	voltage	ac 380v 3p 50hz special voltage on request
