

太赫兹频率测量仪

产品名称	太赫兹频率测量仪
公司名称	上海屹持光电技术有限公司
价格	10000.00/件
规格参数	品牌:Eachwave 型号:THz Frequency Meter
公司地址	上海市闵行区剑川路955号1108室
联系电话	021-622079657/54843093 15618996225

产品详情

Features

Operation frequency 70-330 GHz

Fully automated

Remote control

High accuracy

Application

High precision frequency measurement

Test equipment

Description

Frequency meter is intended for measuring frequency in range 70-330GHz.The Frequency Meter is heterodyne receiver. Fully outomated system allows to measure frequency without preslection frequency ideal for laboratory test measurement.

Specifications

Input Frequency range	70 – 330 GHz
Maximum input	+ 10 dBm
Minimum input	-20 dBm
Damage level	+13 dBm
Dynamic range	30 dB
Standard Input connectors	Flange UG-378/U-M
Standard Input waveguide	WR-10
Standard Output connector	SMA
Modes of operation	Counter
Accuracy	+/- 1 MHz
Resolution	1 kHz
IF Output	50-100 MHz
Control Interface	GPIB
Power Supply	230 V, +/- 10%, 50- 60 HZ,~
Operating temperature range	+10°C...+ 50°C
