OPEN GZ FOREIGN TRADE COMPANY

REGISTER GUANGZHOU FOREIGN TRADE COMPANY · Wholly Foreign owned Enterprise (WFOE) In Guangzhou

If you want to invest in Guangzhou China, you don ' t have to go to the relevant government departments for so many certificates and formalities, but just turn to DELIGA. At DELIGA, we are not only giving you tailor-made service for your need, but also for your satisfaction. DELIGA ' s services are business-orientated and value-orientated. DELIGA—serving the worldwide business with profession and passion.

· ADVANTAGES OF WFFE (1) Able to implement global strategy of its own parent company, without taking other factors from Chinese part into consideration; (2) Different from Representative office, it ' s able to operate its own business; (3) Accept RMB as profits and issue invoice; (4) Employ Chinese staff and transfer USD exchanged from RMB to parent company as profits; (5) Protect intellectual property right and patent technology; (6) Enjoy the profits on its own without sharing it with other co-operators; (7) More effective in business operation, management and its future development.

If you have a GZ company , it is more easy to get resident permit.
