

平板硫化机专业生产厂家质优价廉

产品名称	平板硫化机专业生产厂家质优价廉
公司名称	青岛业飞机械有限公司
价格	面议
规格参数	品牌:业飞 型号:全部型号
公司地址	青岛胶南珠山西一路北端与海滨五路 交叉口
联系电话	0532-86150320 13954208265

- 7.????????????????????????????????????

Characteristics of the machine:

This kind of machine is a machine with multiple functions, it is suitable for two-layer or three-layer mold.

1. Double powers, double oil pumps, double motors and double oil coolers are applied f

or the two axles to work independently. 2. The oil system is unique in design with good stability, faster lift-up and lift-down speed compared with other brands when unloading/loading mold. 3. With the function of slow speed alignment adjusting, the adjustment is more precise and safe. 4. The accurate placement of the loading/unloading mold has the 100% placement safety design, protecting the mold from being damaged. 5. The speed of mold raising and closing can be adjusted accurately and safely. 6. It is suitable for manufacturers who produce electric components, medical articles, daily necessities, vehicle components and industrial components and etc.
