

金槐机械有限公司 | 分切机、涂布机、云母带机

产品名称	金槐机械有限公司 分切机、涂布机、云母带机
公司名称	常州金槐机械有限公司
价格	面议
规格参数	品牌:常州金槐机械
公司地址	常州市天宁区郑陆镇工业集中区(东青村)
联系电话	0519-85519123 13775108229

产品详情

特点/Features:

1????????????????

Unreeling uses the servo photoelectric correction system;

2??

Floating roll tension control (Japan's Mitsubishi semi-automatic tension controller and Mitsubishi magnetic powder brake are optional);

3????????????????????

Slitting device is flat knife device (round knife is optional);

4????????????????????

Winding uses servo motor and servo driver;

5???????????? ?

Adjustable taper tension controls winding;

6?PLC+?????????

PLC+touch screen are vivid and convenient;

7????????????????????????????????????

Special mechanism controls winding pressure,so as to effectively control the winding tension and pressure;

8????????????????????????????????

The main transmission of the whole machine adopts frequency conversion control,ensuring good slitting quality;

9????????????????????????????????

Especially suitable for slitting sanitary materials and environmentally-friendly pre-coating film;

10????????????????

Be equipped with unloading shelf,ensuing convenient unloading.
