

# 东丽TM720-370反渗透膜

产品名称	东丽TM720-370反渗透膜
公司名称	湘潭雨湖区欧特水处理设备厂
价格	1.00/个
规格参数	型号:TM720-370 品牌:东丽 进水口径:38 ( mm )
公司地址	湘潭市雨湖区建设北路左家湾9号
联系电话	073152570552 15080754700

## 产品详情

型号	TM720-370	品牌	东丽
进水口径	38 ( mm )	产水量	1.0
规格	8040	工作压力	225 ( psi )

selected model: tm720-370

identification	
time productnumber	tm720-370
article no.	tm720-370
manufacturer	
brand	toray
product image	
membrane	
membrane	toray tm 8"
manufacturer type	
membranetype	reverse osmosis
membrane material	polyamide composite
short description	standard ro element for brackish water applications
specification	
boron rejection sw @	%
ph 8 & 5 ppm feed	
membrane area	370ft <sup>2</sup>
minimum rejection	99%
minimum permeate	28.4m <sup>3</sup> /d
flow	
membrane	1000 ppm sodiumbisulfite solution
preservation	

specification sheet	080724_tm700.pdf		
boron rejection bw @ ph 10 & 5 ppm feed	%		
feed spacer thickness	mil		
permeate flow	36m <sup>3</sup> /d		
rejection	99.7%		
test conditions			
pressure	1.55mpa		
feed concentration nacl	2000ppm		
recovery	15%		
temperature	25 ° c		
additional testconditions			
ph	7		
operating limits			
max. feed pressure	4.1mpa		
max. feed temperature	45 ° c		
max. sdi-15	5		
max. chlorine in feed	0ppm		
feed ph range operation	2 - 11		
feed ph range cleaning	1 - 12		
max. dp / membrane	0.14mpa		
max. dp / vessel	0.4mpa		
dimensions			
membrane diameter	8.0"		
length	40"		
permeate tube diameter	1.125"		
connection type	nd		
technical drawing			
application			
feed water type	well water (brackish)tap watersurface water (brackish)		
membrane group	standard		
application	industrial & process waterbrackish water treatmentmunicipal / potable water
