

# 东丽TMG20-400反渗透膜

产品名称	东丽TMG20-400反渗透膜
公司名称	湘潭雨湖区欧特水处理设备厂
价格	1.00/个
规格参数	型号:TMG20-400 品牌:东丽 进水口径:38 ( mm )
公司地址	湘潭市雨湖区建设北路左家湾9号
联系电话	073152570552 15080754700

## 产品详情

型号	TMG20-400	品牌	东丽
进水口径	38 ( mm )	产水量	1.0
规格	400	工作压力	110 ( psi )

selected model: tmg20-400

identification	
time productnumber	tmg20-400
article no.	tmg20-400
manufacturer	
brand	toray
product image	
membrane	
membrane	toray tm 8"
manufacturer type	
membranetype	reverse osmosis
membrane material	polyamide composite
short description	ultra low pressure ro element for brackish water applications
specification	
boron rejection sw @	%
ph 8 & 5 ppm feed	
membrane area	400ft <sup>2</sup>
minimum rejection	99%
minimum permeate	31m <sup>3</sup> /d
flow	
membrane	1000 ppm sodiumbisulfite solution
preservation	

	specification sheet	tmg.pdf		
	boron rejection bw @	%		
	ph 10 & 5 ppm feed			
	feed spacer thickness	mil		
	permeate flow	38.6m <sup>3</sup> /d		
	rejection	99.5%		
	test conditions			
	pressure	0.76mpa		
	feed concentration	500ppm		
	nacl			
	recovery	15%		
	temperature	25 ° c		
	additional			
	testconditions			
	ph	7		
	operating limits			
	max. feed pressure	2.5mpa		
	max. feed	45 ° c		
	temperature			
	max. sdi-15	5		
	max. chlorine in feed	0ppm		
	feed ph range	2 - 11		
	operation			
	feed ph range	1 - 12		
	cleaning			
	max. dp / membrane	0.14mpa		
	max. dp / vessel	0.4mpa		
	dimensions			
	membrane diameter	8.0"		
	length	40"		
	permeate tube	1.500"		
	diameter			
	connection type	nd		
	technical drawing			
	application			
	feed water type	well water (brackish)tap watersurface water (brackish)		
	membrane group	ultra low pressure		
	application	industrial & process waterbrackish water treatmentmunicipal / potable water
