

## 猪场绞龙或塞片自动饲喂系统

产品名称	猪场绞龙或塞片自动饲喂系统
公司名称	山东牧歌畜牧器材有限公司
价格	15000.00/栋
规格参数	品牌:牧歌 型号:绞龙塞片 规格:60mm
公司地址	山东 禹城市 市中办东唐工业区
联系电话	18266170032

## 产品详情

Can effectively reduce the feed waste, reduce the cost of farming.Avoid contact infection caused by artificial feeding.

Anger automatic feeding system: The use of wear-resistant PVC pipe as a transmission pipeline, with imported spiral auger transmission feed.The product has the advantages of simple structure, high cost performance, good durability, low failure rate, suitable for fattening and nursery pigs ad libitum.

Dry automatic feeding system: Using special galvanized pipe to make transmission pipeline. Avoid artificial feeding when not feeding.Control sow feed intake, so that feeding to achieve full automation.
