

东莞非标硬质合金钨钢刀具生产厂家

产品名称	东莞非标硬质合金钨钢刀具生产厂家
公司名称	东莞市川业五金有限公司
价格	.00/支
规格参数	
公司地址	东莞市常平镇桥沥马屋村捷安工业园A栋2号
联系电话	86-076988342290 13556607007

产品详情

需要定制刀具-我们可以帮到您！-东莞市川业五金有限公司专业设计制造非标数控刀具

专业经验

川业的刀具工程师拥有制造复杂形状刀具的丰富经验，并且可以应用他们的专业技能提供交钥匙方案，最大限度提升您的设备产能和单个零件加工利润。

多样化

我们可定制的刀具并不局限于铣刀，我们设计的很多刀具被应用在难加工或精度特别高的场合。我们的方案可以经济有效地解决有难度的应用。

技术协助

我们有刀具工程师可以通过电话提供特殊刀具的售前、售中和售后服务。

我们的技术协助涵盖刀具设计、刀具制造、刀具应用等一个完整的流程。

我们制造的每一把刀具在工程化、设计、生产加工、应用等每个细节都包含着川业人一丝不苟的精神。

我们的非标刀具完全采用最先进的设计方法来完成，包括使用3D设计软件。在我们制造您的刀具之前，我们确保每个设计要素都得到了充分沟通，并完全理解刀具的实际应用。

Need a Custom Tool...We can help!

Experience

TRANYA cutting tool engineers are experienced with building some of the most complex special tool configurations

in the industry and can use their expertise to provide a turn-key solution that will maximize your machine ' s throughput and increase your per piece profit.

Diversity

We are not limited to end mills. We have designed some custom tools required for difficult and extremely precise operations. Our solutions will solve the most difficult applications effectively and economically.

Assistance

We have on-call cutting tool engineers taking care of your needs before, during and after your special tool design.

We will help you through the entire design and manufacturing process along with a plan of implementation and running parameters needed to use the tool.

Every tool manufactured by TRANYA is engineered, designed, processed, and applied with meticulous attention to every detail.

Our custom tool offering comes complete with state-of-the-art design capability, including 3D design software. We insure that there is complete understanding of the application and every aspect of the design communicated fully before we manufacture your tool.
