

mercer安全阀

产品名称	mercer安全阀
公司名称	海泰美信贸易（北京）有限公司
价格	.00/个
规格参数	
公司地址	西四环南路19号
联系电话	0086-010-83265380 13810823489

产品详情

Mercer Valve Co. has been engineering and manufacturing state of the art safety relief valves since 1986. Our patented Auto Seat Technology(R) has placed us at the forefront of today's relief valve industry. Our relief valves' patented Auto Seat Technology(R) will give you an extended seat life, which will allow your valve to open, close, seat and seal hundreds of times, saving you hundreds or thousands of dollars. 9100 Series Threaded For all industrial air, gas, or liquid relief applications, including compressors, separators, heater treaters, scrubbers, dehydrator, free water knockouts, thermal relief, gas production units, transmission and gathering lines, meter runs, gas plants, chemical plants and other industrial applications 9100 Series Mod 20 High Pressure Safety Relief Valves designed for 3000psi to 8700psi and have a field proven soft seat coupled with a new, unique guided disk type PATENTED DESIGN. Expected seat life with Auto Seat Technology(R) is hundreds of "pops". Full length guiding of "low rate" set pressure springs insures accurate, repeatable relief actio
