If you want to know, you can contact our import department Mr. Lin. Importers must have import and export filing for customs and quarantine. If they do not have the right to import, they cannot import them. If they do not have import and export rights and want to import, they can call us. 在此之前插入个进口小新闻，不想看可忽略：一：普通空运报关 这种货物是客户通过航空公司运到机场的，在外发货的时候，客户直接找到航空公司负责托运，到了机场之后，需要做正常的报关流程。需要找专业的报关行去操作报关清关流程。

One: ordinary air cargo declaration This kind of goods is delivered to the airport by the customer through the airline. When shipping abroad, the customer directly finds the airline responsible for the consignment. After arriving at the airport, the normal customs declaration process is required. Need to find a professional customs broker to operate the customs clearance process. 二：快递公司的机场报关 客户在外通过EMX、FEDEX、UPS、DHL等快递公司运输到中国大陆的机场，需要做报关手续的。这种可以通过快递公司申请报关，但是需要客户提供详细的资料，并且客户是要拥有进出口权或者找一家有进出口权的代理公司操作。准备以下资料：1、产品使用（构造）说明2、产品详细清单（品名、数量、重量）3、采购合同、Invoice 4、产品申报要素说明5、海关代保管凭条

Two: express company's airport declaration Customers who use EMX, FEDEX, UPS, DHL and other courier companies to transport to the airport in mainland China need to do customs declaration procedures. This can be applied for customs clearance through the courier company, but the customer needs to provide detailed information, and the customer has to have import and export rights or find an agent with import and export rights. Prepare the following information: 1. Product use (construction) description

2. Detailed list of products (name, quantity, weight) 3. Purchase contract, Invoice

4. Description of product declaration elements 5, the customs on behalf of the custody 科创
