

# 高精度薄膜激光切割系统 | 自动化激光切割

产品名称	高精度薄膜激光切割系统   自动化激光切割
公司名称	深圳市超越激光智能装备股份有限公司
价格	.00/个
规格参数	品牌:Beyond laser Tel:18126260045 E-mail:linmengyi@chaoyuelaser.com
公司地址	中国广东省深圳市龙岗区同乐社区水田一路13号
联系电话	0755-28623985 19878408040

## 产品详情

CY-UV15030(单头) /CY-UV15030DA(双头) 大幅面覆盖膜自动化激光切割机是超越激光积累9年来自主开发之大器，其搭载了许多前所未有的新技术：“单台激光器，双头同步加工”，“不停歇生产模块”、“循环上下料系统”、“嵌入式智能切割模式”等等，使该设备具有大规模高强度的生产效率、高速动态下的稳定运行和高精度的切割效果，值得用户期待。

CY-UV5030DA double-head cover film automatic laser cutting machine is a large-scale laser that has surpassed laser accumulation for 9 years. It is equipped with many new technologies: "single laser, double-head synchronous processing", "no stop production module", "Circulating loading and unloading system", "embedded intelligent cutting mode", etc., make the equipment have large-scale high-intensity production efficiency, stable operation under high-speed dynamics and high-precision cutting effect, which is worthy of users' expectation.
