

防火阀外框全自动生产线

产品名称	防火阀外框全自动生产线
公司名称	广州澳科数控设备有限公司
价格	.00/个
规格参数	
公司地址	广州市南沙区东涌镇大筒村番禺大道西侧自编2号
联系电话	18002276416

产品详情

????????Fire Damper Frame Roll Forming Machine

????Function description?1. ??????????????Double servo motor, full automatic operation;2. ??????finished damper frame width?200-320mm 3. ?????Flange type?35?? (?30???40??)35 TDF flange (with 30 and 40 Angle Steel function)4. ?????processing?mode?L?/???/? L shape/? shape/sheet5. ??Output?500???/8?? 500pieces frame/8hours6. ??3C?????Meet 3C standard

????Basic Equipment1.?????????Motor decoiler one set2.?????????Leveling device one set3.????????????? Punching big mouth die, small mouth die four sets4.?????????????Punching on-off installation hole die one set5.?????????????Punching blade installation hoe die one set6.?????????????Hydraulic Cutting device one set7.?????????????Main roll forming machine one set8.?????????????Robot sending and bending device one set9.????????????? PLC one set
