产品详情

九十月份的桂林，整个城市的空气中都弥漫着桂花的香气，都说莲花只可远观不可亵玩焉,我想桂花才是吧。一颗颗、小小的桂花隐藏在大片大片的树叶下，像是在跟远道而来的游客捉迷藏。嘿、山水间、街道旁走到哪都是香香的，桂林人都自带体香嘛。难怪他们不愿做神仙 . . .

小小的桂花香满桂林，源于桂林。以桂花为原料制作的觅嫩·桂花茶，也在游客的帮助下如桂林一般走向世界。在满城飘香的时候，桂花女孩小心翼翼的摘下一颗颗小小的鲜桂花，配以茶胚，反反复复的调试，为游客们留住与这山水间略微调皮的回忆。

来时只知桂林山水甲天下，走时带走满城桂花香，觅嫩·桂花茶。

In Guilin in September and October, the air of the whole city is filled with the fragrance of Osmanthus fragrance. They say that lotus can only be seen from a distance and not be obscene. I think osmanthus is. Small sweet-scented osmanthus flowers are hidden under large leaves, like hide-and-seek with tourists from afar. Hey, the scenic spots, the streets are fragrant everywhere. Guilin people bring their own body fragrance. No wonder they don't want to be immortals.

Small osmanthus fragrance full of Guilin, from Guilin. Seeking tender sweet-scented osmanthus tea, which is made from Osmanthus fragrans, also goes to the world like Guilin with the help of tourists. When the city is full of fragrance, the girl who seeks sweet-scented osmanthus carefully plucks small sweet-scented osmanthus flowers, matched with tea embryos, repeated debugging, to retain the slightly naughty memories between the landscape and tourists.

When I came, I only knew that Guilin was the best place in the world. When I left, I took away the fragrance of Osmanthus fragrans from the city and looked for tender Osmanthus fragrans tea.
