

# Gas can for Cordless Nailers

产品名称	Gas can for Cordless Nailers
公司名称	徐州汉德五金工具有限公司
价格	.00/个
规格参数	金属材质:aluminium
公司地址	徐州经济开发区螺山路19号
联系电话	0516-87899051 13685186897

## 产品详情

金属材质

aluminium

用途

Fuel units for Cordless Nailers

brief introduction

fuel cell/ nailer gas is a kind of dualistic packing aerosol product. and it mainly uses for the fuel of nail-shooting guns and other gas-powered tools. the main component is propane, butane and the admixture of lubricant. it ' s convenient, economic, high-efficiency and environment-friendly.

the aluminum gas pot diameter is 3.2cm, length is 8cm and the net content is 16g. total weight is 50g.

please read the following introduction carefully before using.

- 1.the preservation temperature should be lower than 50 .
- 2.keep away from fire and thermal radiation, working surrounding is draughty or outdoor
- 3.do not shoot at humans or animals, after using out it can ' t be fired. do not open or break the package. please abide by the local government rules for littering.

security rules

the propellant will remain in fuel cell. fuel cell is always under pressure. propellant and fuel are both flammable. expanding gas causes low temperature and fluid gas might cause injuries when getting in touch with skin or eyes. refill forbidden.
