中国将成为世界上最大的咖啡进口国之一

The demand of coffee in China has been increasing grossly and increase faster than other countries not only in production but also in consumption. The statistics states, the increasing rate of coffee always keeps at 30% in China ' s market in which the increasing speed of the coffee consumption is 15 times of global average level! The young consumers have a huge influence to the consumption as they have a higher acceptance degree to western culture. It can foresee that China will become one of the biggest importers of coffee.

中国的咖啡需求量急剧增加，无论是在产量方面还是在消费方面，都是近年来全球增长最快的咖啡市场之一。据统计

数据显示，中国市场的同期增长率一直保持在30%，其咖啡消费量增长速度竟然是全球平均水平的15倍！年轻消费者

对西方文化的接受程度高将起到很大的作用，可预见中国将成为世界上最大的咖啡进口国之一。
